CARBIDE PRICING AVAILABLE UPON REQUEST

Let’s do an example for our knife cutting service.

We’ll use a 2 1/4” casing moulding with a 1/2” depth of cut. The knife may measure 3/4” wider than the wood sample (sometimes less - 3/4” wider is the maximum).

2-1/4” + 3/4 = 3 inches of knife steel.
3 inches x $21.50 per inch = $64.50 per knife, 2 knife set = $129.00

Add $10.00 charge per set of Custom Knives.

Minimum charge for small profiles is:

Catalogue Patterns - $89.00 per set of two for 1/4” thick / $99.00 for 5/16” thick

Custom Patterns - $99.00 per set of two for 1/4” thick / $109.00 for 5/16” thick

Custom knives are made within one full business day.
