

TOP QUALITY, FAST TURN-AROUND, COMPETITIVE PRICES

Pricing (Canadian Dollars) for W&H per inch of steel

Depth of Cut	M2 (Solid Wood)	Black Nitride (Solid Wood)	TCT Carbide (For MDF)
up to 1/2"	\$23.00	\$26.50	\$79.00
up to 7/8"	\$25.50	\$28.50	\$86.00

Let's do an example for our knife cutting service.

We'll use a 2 1/4" casing moulding with a 1/2" depth of cut. The knife may measure 3/4" wider than the wood sample (sometimes less - 3/4" wider is the maximum).

$2\text{-}1/4" + 3/4" = 3$ inches of knife steel. $3 \text{ inches} \times \$23.00 \text{ per inch} = \69.00 per knife, 2 knife set = \$138.00

Add \$10.00 charge per set of Custom Knives.

Minimum charge for small profiles is:

Catalogue Patterns - \$92.50 per set of two
Custom Patterns - \$102.50 per set of two

Custom knives are made within one full business day.

The industry standard is to not put outside cutting legs or outside cutting edges on the knives. In other words, the knife cuts all of the profile but is not meant to cut a 2-1/2" wide casing out of a 4" wide blank. In some special applications an outside cutting leg may be possible. If you would like outside legs on your knives, then please check with us to see if it is possible for your application, and for pricing.

Corrugated knives to fit your Shop Fox, Williams & Hussey or General 30-120 are also available.
